

INTERNATIONAL FORUM FOR INVESTOR EDUCATION AFFIRMS BOARD OFFICERS

IFIE Board Officer Position Shifts Approved, Including New Vice Chairman from Japan

ISTANBUL, Turkey – 14 June 2016 – The International Forum for Investor Education (IFIE) affirmed new officer positions during its Annual IFIE Members meeting following recommendations from the IFIE Global Advisory Board. The affirmations came as IFIE’s global members came together for meetings conducted ahead of the eighth annual joint investor education conference held by IFIE and the International Organization of Securities Commissions (IOSCO) in Istanbul, Turkey.

The conference took place from 12-14 June 2016 and included speakers and participants from around the world. This year’s conference materials and updates on next year’s IFIE-IOSCO conference are available at www.IFIE.org.

IFIE’s Global Advisory Board officers are:

- **IFIE Chairman - Alparslan Budak**, vice-chairman, [Financial Planning Association of Turkey \(FPD\)](#)
- **IFIE Vice Chairman - Fumiaki Miyahara**, senior general manager, International Affairs Division and Research Division, [Japan Securities Dealers Association \(JSDA\)](#)
- **IFIE Secretary-Treasurer - Ana Leoni**, head of education, [Brazilian Financial and Capital Markets Association \(ANBIMA\)](#)

More information about IFIE’s leadership can be found available [here](#).

ABOUT IFIE:

The International Forum for Investor Education (www.IFIE.org) is a global membership organization committed to strengthening resources and standards for financial capability and investor education within and across jurisdictions through such initiatives as global conferences; webinars; surveys; a resource clearinghouse; and development and distribution of best practices, implementation strategies, capacity building and leadership support. IFIE also has global regional Chapter networks of members in Asia (IFIE/AFIE), MENA (IFIE/MENA) and the Americas (IFIE/Americas) who work together to develop and implement approaches to regional challenges in financial education, financial capability and investor education. Chapter development in Europe and Africa is underway.
